

THE ORCHARD SURGERY

I understand you have concerns regarding the immunisations.

Please see below details for the 'Vaccine Knowledge' website. It contains evidence based independent information about immunisations such as frequently asked questions and ingredients etc, which will help answer your queries <http://vk.ovg.ox.ac.uk> Available to download free as an app- search Vaccine Knowledge.

If you have decided for your child not to have a vaccination, delete below any not required, sign letter below and return to the surgery. Parents who refuse immunisations can change their mind at any time. There is no upper age limit for immunisation
