Patient Demographics

Please use the space below to record any other comments you may have.

- I have always been satisfied with service at the surgery. Everyone is helpful and pleasant. You don't feel out of place even with the doctors I feel I can be at ease with everyone
- Very friendly staff (all)
- I am very satisfied with everything in this surgery
- Friendly receptionists. Very helpful

- Whenever I've been to the surgery I always have a good experience. I've had to wait for my appointment a few times for long but that does not matter to me, as I understand. My experience starting from booking an appointment to the end has been good.
- Extremely friendly and helpful
- Very helpful staff and doctors
- I always get a good care for my all family and surgery practice are extremely very good :)
- Always waiting to see the GP!
- Reception staff were always wonderful, patient and very helpful
- Really nice and helpful receptionists. Where's Dr Asaad?
- Very dissatisfied with this surgery, never get appointment
- The best service provided from all departments. I'm very satisfied. The receptionists are so friendly and always smiling. Keep it up!
- I've had a good experience. The improvements have helped.
- My GP listens to me and help all the time
- Maintain timelines
